

Understanding UK Practice

Venue: Seminar Room, IMU, Seremban

Date: 9th May 2015

Time: 8am – 1pm

Are you familiar with UK practice?

MRCOG is a postgraduate exam based mainly on UK practice, which the international trainees may not be familiar with. Do not miss this golden opportunity to get a closer look on UK practice in these areas!

Speakers

Prof Omar Sany graduated from University of Birmingham in 2000 and has long working experience in various hospital based at the Sandwell and West Birmingham NHS Trust. He pursued his MRCOG in 2007, performed his advance training skill modules (ATSMs) in Gynae Oncology, and received Certificate of Completion of Specialist Training (CCST) in O&G. He was a substantive Consultant in Obstetric & Gynaecology, Walsall NHS Healthcare Trust, England, United Kingdom. He has vast experience in postgraduate medical education and currently working as an Associate Professor teaching medical students at the Cyberjaya University College of Medical Sciences (CUCMS).

Dr Shilpa Nambiar graduated from University Sains Malaysia in 2000 and did clinical attachment at Bassetlaw NHS Trust, UK before she pursued her MRCOG in 2010. She became the member of the RCOG Malaysian Representative Committee and RCOG MRCOG Part 2 Revision Course Malaysian Convenor since 2011, and actively involve in postgraduate medical education and training. She achieved her MRCPI from Royal College of Physician Ireland in 2012. She did her Maternal Medicine Advanced Training Skill Module 2014-2015 whilst working in University College Hospital, London, UK
