2ND HANDS ON VAGINAL HYSTERECTOMY WORKSHOP

6TH & 7TH MAY 2015

PENANG

Hospital Pulau Pinang

Malaysian Urogynaecology Society

Welcome to Penang

Welcome message from the organising chairman

Dear participants,

This is the second time the MUGS together with the Hospital Pulau Pinang O&G Department and the Penang Medical College are jointly organizing the Vaginal Hysterectomy Hands On Workshop.

This is a valuable workshop for junior specialists and registrars or trainees where you can have hands on experience in performing the vaginal hysterectomy and pelvic floor repair. You will be guided by experienced urogynaecologists sharing their experience with you. You will also have a series of lectures on anatomy and tips to perform the vaginal hysterectomy. We are sure that you will benefit from this workshop. Book early as there is limited number of places (limited to 12 participants) available as this is a hands on workshop.
