## Forward

Dear Colleagues,

It is our pleasure to invite you to the 17th Regional MRCOG Part 2 Examination Course in Singapore, where trainees will get to experience the full-scale mock exam before sitting for the actual one in the UK. Two senior RCOG examiners have been invited to teach at this course. Individual feedback will also be offered to each candidate to help improve your exam techniques.

This year, we are extremely privileged to have Mr Paul Mills and Ms Kirsty Dundas MRCOG examiners to conduct this course.

We urge you to take this opportunity to learn the proper techniques to help you pass your MRCOG Part 2 exam, as well as to experience the new format of this exam in a full-scale mock setting. Our esteemed UK examiners will also offer insight on how the papers are marked and what the RCOG looks for in their candidates.

We look forward to meeting you at the course!
