Specialist - RM 150 (Before 20/09/2017) and RM200 (After 20/09/2017)

Registrar - RM 100

Dr Aparna Hegde

Speaker Profile

MD, DNB, FCPS, DGO, MS (Stanford University); IUGA International Fellowship, Urogynecology and Pelvic Floor Reconstructive Surgery, Cleveland Clinic Florida; Founder and Director, C.U.P (Center for Urogynecology and Pelvic Health) New Delhi; Founder – Chairperson, Managing Trustee, ARMMAN Mumbai; Member, IUGA Education Committee; Member, Editorial Board, International Urogynecology Journal

Dr. Aparna Hegde is the Founder and Director of The Centre for Urogynecology and Pelvic Health (The C.U.P), Delhi India. She is a fellowship trained urogynecologist and was awarded the IUGA International Fellowship in 2011 which she completed in the Department at Cleveland Clinic Florida before returning to India in 2013. She is a member of the Editorial Board of the International Urogynecology Journal and the International Urogynecological Association (IUGA) Education Committee. She is an avid researcher with a master's degree in biological sciences from Stanford University, multiple research awards and more than 75 publications and abstracts in peer-reviewed journals. She is an internationally recognized pioneer in the field of 3D and 2D sonographic assessment of the pelvic floor and was invited to deliver a Mini State of the Art lecture on her research work at the 2016 IUGA Annual Meeting in Capetown. She has been awarded a best paper award for her work at the 2013 American Urogynecological Society (AUGS) annual meeting, has been an expert holding a round table on her work on imaging of slings and taught in the ultrasound workshops in the last three IUGA and AUGS annual meetings.

Dr Aparna Hegde is also the Founder, Chairperson and Managing Trustee of ARMMAN, a Mumbai-based nonprofit dedicated to the wellbeing of mothers and children under the age five whose work impacts more than 800,000 lives currently. She is a TEDx speaker and also has been featured as one of the five global women leaders in the Voice of America documentary, 'A Single Step: Journeys of Women Leaders' narrated by Oscar award winning actress Sally Field in 2015. She has been awarded the "People's Choice Award" at the Saving Lives at Birth event in Washington DC in 2011, the 'Top 50 Social Innovators' Award' in 2014, the Digital Woman's Entrepreneur Award in 2015 and the Mother Teresa Social Leadership Scholarship in 2016 among other awards.
