Kangaroo Care: The Key Link to Intergrated Care

Brief Synopsis:

Kangaroo Care (or Kangaroo Mother Care as it was previously known) has been declared by WHO as essential care for low birth weight infants but successful implementation of kangaroo care into practice is frequently met with a lot of barriers. Through interactive lectures, videos, sharing of experiences and hands-on practical activities, this workshop will introduce the science and evidence behind kangaroo care; as well as the practicalities of implementing it into your practice.

Who should attend?

Health care professionals involved in caring for premature and low birth weight infants both in the hospital and in the community clinics.

Time	Programme
0800-0830	Registration
0830-0845	Introduction to Kangaroo Care
0845-0930	The Science behind Kangaroo Care
0930-0950	The Evidence for Kangaroo Care
0950-1010	The Practicals of Kangaroo Care 1: Positioning
1010-1040	Morning tea break
1040-1110	The Practicals of Kangaroo Care 2: Transferring
1110-1140	Kangaroo Nutrition: Kangaroo Care in establishing, facilitating and sustaining breastfeeding
1140-1210	The Practicals of Kangaroo Care 3: Monitoring
1210-1240	Bringing it home: Integrating Kangaroo Care from hospital to home
1240-1300	Kangaroo Care beyond low birth weight infants

1300-1400	Lunch
1400-1440	Establishing and sustaining Kangaroo Care: Not as easy as you think
1440-1500	Our Kangaroo "Hop" nationwide
1500-1555	'HOP' ping activity (HOP = Hands On Practical)
1555-1600pm	Closing and feedback

PSM Pre congress 2019
Date: 11 April. 2019 | Ipoh Convention Centre
Theme: Improving perinatal outcomes from preconception/pre-ART
