Welcome to the 25th OGSM Congress

Dear Colleagues,

The Obstetrical and Gynaecological Society of Malaysia (OGSM) invites you to the OGSM 2017 Congress, to be held on 27 to 30 of July 2017 at the Shangri-La Kuala Lumpur. It is a suitable venue to host this 25th Congress situated in the heart of vibrant Kuala Lumpur City Centre.

The OGSM 2017 is going to be a significant milestone as it marks our 25th Congress in Obstetrics and Gynaecology and hence, it is themed “Looking Back Moving Forward”. As we endeavour towards shaping our bright future, it is also essential to reflect back on our rich history and humble beginnings. Thus, we hope to blend the past and the future and to deliver a high impact scientific meeting that is filled with history, while keeping abreast with recent and up-to-date developments; but more importantly, one that caters for one and all with a global theme.

This annual congress is a good opportunity for midwives, medical officers, trainees, junior specialists and consultants to educate and show case your research in this field in Malaysia. It will be also an ideal opportunity for research ideas, networking, business and to meet the experts with the best brains in this field of Obstetrics & Gynaecology.

Participants can be assured of an enjoyable social gatherings with delegates, fellows, peers and families.
