TIME IN MALAYSIA (Kuala Lumpur)  
our internationally famous  
**“ Leicester MRCOG Part II theory course”**  
**Saturday 9<sup>th</sup> June to Wednesday 13<sup>th</sup> June**  
**2012**

You no longer need to go to the UK as our course comes to your doorstep.

Run by **Prof J C Konje** and his team

Author of

- ‘Short Essays MCQs, OSCEs for MRCOG Part II’
  - ‘SMQs for MRCOG Part II’
  - ‘OSCE in Obstetrics and Gynaecology’  
(Essential reading for the MRCOG Examination)

Prof Konje is an MRCOG Examiner, past Chair for the MCQ subcommittee and member of the Examinations Committee of the Royal College

Our courses have the highest pass rate both nationally and internationally and have produced four Gold Medallists.

This is not a weekend course. It is a **5** day course run in exactly the same pattern as the one in the UK, so candidates don't miss out on anything.

We will cover

- Hot topics in an exam oriented syllabus
- Over 400 MCQ's and 170 EMQ's (the new style of questions)
- EMQ & MCQ and short answer techniques
- Over 12 short answers questions, each of which will be marked and discussed with individual feedback.

Our courses are always oversubscribed so don't miss the opportunity and register as soon as possible. We only have limited spaces to enable us to give one to one attention.

Those attending this course will be given priority placement on our OSCE courses held in the UK.
