Hospital Raja Permaisuri Bainun,
Ipoh, Perak.

Organized by:-
Postgraduate Medical Education Society, Hospital Ipoh,
Department of Obstetrics & Gynecology,
Hospital Raja Permaisuri Bainun Ipoh .
Obstetrical & Gynaecological Society of Malaysia

Dear Colleagues,

Once again, it gives us great pleasure to invite you to our Advanced Level Obstetrics & Gynecology Ultrasound Course. This is the 9th time that we are organizing this course since it's beginning in 2003. Due to overwhelming requests, this year we have incorporated the gynecology scan component into our course and have made it a 3 days program. The objective of the course is to educate the doctors & ultrasonographers who take care of Obstetrics & Gynecology patients on the art of using ultrasound scans to optimize the management of their female patient. As in our previous courses, the course will focus on common Obstetrics & Gynecology conditions and its management. The course will feature easy to understand and systematic lectures, demonstration of live scans, OSCE sessions (with prizes for those who get top marks) and hands on sessions. We have also kept the registration fee as low as possible so that more can attend this course.

Hope to see you in Ipoh.

Dr Japaraj RP / Dato' Dr Mukudan K

Closing Date For Early Registration Is On 30 April 2012

ACCOMMODATION

**PLEASE MAKE OWN ARRANGEMENTS
(Walking Distance From Hospital)**

Syuen Hotel
