GESM-OGSM National Roadshow 1: Southern Region

Hands-On Laparoscopic Suturing & Electrosurgery Workshop with Peer-to-Peer Coaching

Course Director : Dr. Sharifah Halimah Jaafar, Chairperson of OGSM Gyne Endoscopy Subcommittee

Co-course Director : Dr. Wan Ahmad Hazim, GESM Chairman, HOD of O&G Putrajaya Hospital

Course Objective

- Learn and practice psychomotor skills for better coordination and precision
- Learn hints & tips of laparoscopic suturing, refine skills and technique of tying various surgical knots
- Learn from the peers on tips & techniques of securing hemostasis, sealing blood vessels & pedicles by suturing, or using right energy device in the interactive live video surgery.
