SPEAKER PROFILE

**Dr. Senth
Muthuraman**

**Fertility Specialist
Metro IVF**

Dr. Senth is a trained OBGYN consultant and obtained his MRCOG in 2013 from the Royal College of Obstetricians and Gynaecology, London UK after his MBBS from Chennai, India.

He has practiced in Muar Hospital, General Hospital Kuala Lumpur, and Hospital Sultanah Aminah Johor Bahru and also went for further training in Fertility and Laparoscopic Surgery at Mahkota Medical Center, Melaka. Dr. Senth is presently the resident Fertility Specialist at Metro IVF. He is a passionate doctor who is committed to help couples facing difficulties to conceive.

Couples under Dr. Senth's care often regard him as a compassionate doctor who puts the couples first, and he has helped many couples to achieve their dreams of getting pregnant.

**Moderated by : Dr. Pravin Peraba
President - Elect MSART Term 2024-2026**
