

**18th ISUOG
Approved Course,
Singapore**
in conjunction with
College of O&G Singapore
**Ultrasound Meets Genetics
Through The Trimesters**

14 Nov – Pre-Course Workshop
15/16 Nov – Main Scientific Meeting

Deadline for Early Bird Registration and Abstract Submission
18 October 2024

WELCOME MESSAGE

Dear Colleagues,

In the spirit of sustaining and empowering the exchange of knowledge and expertise, we are honored to welcome you to join us in Singapore for the 18th consecutive year for the continuing series of annual ISUOG Approved Course, Singapore.

This year, the course will have a special focus on Prenatal Clinical Genetics & Genomic Services (CGGS), a field which has seen a rapid evolution and expansion in the complexity of the tests, beyond karyotyping to chromosomal microarray testing and whole exome and genome sequencing. The program has been tailored to cover a wide range of topics including updates on the current clinical applications and future advances of non-invasive prenatal testing (NIPT), pre-implantation genetic testing and carrier screening. The importance of a targeted fetal ultrasound examination as the key to maximizing the benefits of advances in molecular genetic testing will also be discussed.

For this course, we are privileged to have the presence of internationally renowned experts including Professor Laurent Salomon, President of ISUOG (International Society of Ultrasound in Obstetrics & Gynaecology), Professor Jonathan Hyett, ISUOG Trustee and Professor Lisa Hui, Board Director of ISPD (International Society of Prenatal Diagnosis), allowing plenty of opportunities for both experts and participants to share their knowledge and experiences, and forge meaningful collaborations

We look forward to seeing you at our conference from the 14 to 16 November 2024 and welcome you to the sunny shores of Singapore.

KEYNOTE SPEAKERS

Professor Laurent Salomon
Senior Consultant
ISUOG Trustee, President (2022-2024)
Fetal Medicine at Necker – Enfants – Malades Hospital
Full Professor at Paris Descartes University

Prof Lisa Hui
Professor Fellow, Maternal Fetal Medicine,
University of Melbourne
Obstetrics and Gynaecology Royal Women's
Hospital / Mercy
Director of Genetics, Mercy Hospital for Women

Prof Jonathan Hyett
Professor Of Obstetrics and Gynecology
Western Sydney University

REGISTRATION

Full Registration	EARLY BIRD (Till 18 Oct 2024)	STANDARD
	(SGD Dollars)	(SGD Dollars)
Specialist (Member)	\$420	\$520
Trainee / Sonographer / Nurse / Medical Student (Member)	\$350	\$450
Specialist (Non Member)	\$550	\$650
Trainee / Sonographer / Nurse / Medical Student (Non Member)	\$450	\$550
On Site Registration		\$550
Day Registration (1 Day)		\$280
Pre-Course Workshop – Obstetrics Ultrasound Doppler Workshop		\$380
